

Executives take a Drive to the D4 Invitational

Leadership in Action!
Toastmasters Officers
make their voices
heard and their
votes count.

Club Presidents and Vice Presidents will exercise their voting power at the Business Meeting on critical issues such as the District Realignment of clubs, and the election of new District Officers. Each officer is entitled to one vote, and may designate another club member to represent him/her with a written proxy, should that officer be unable to attend. The official representatives must check in at the CREDENTIALS DESK to receive ballots and be included in the count for a quorum (minium number required to legally transact business - i.e. one third of the clubs in the District). Anyone is welcome to attend the Business Meeting. However, only those with ballots are given the floor.

*.....And while your Execs are busy taking care of business,
why don't you pull over to the Opportunity Drawing Booth.*

*Check out the prizes. See page 13 for the cool new way to
"Win what you want," and "Want what you win!"*
